

THIS MESSAGE IS BEING SENT AS A BCC TO ALL OF TROOP 31 ON BEHALF OF BOB HOOVER.  
PLEASE RESPOND TO HIM DIRECTLY AS NOTED BELOW.

## **EMERGENCY PREPAREDNESS**

We have another opportunity for 6-7 scouts to participate as "victims" in a disaster drill. This will satisfy requirement 7 for the emergency preparedness merit badge. The Community Emergency Response Team (CERT) coordinator is holding a "train the trainer" class at Montgomery Bell State Park on [Wednesday](#), March 10. Volunteers will need to arrive by 4 PM to participate in the drill. You may volunteer IF you:

1. Are currently taking the Emergency Preparedness merit badge class through Troop 31; **or**,
2. Have recently taken the Emergency Preparedness merit badge class at the APSU MBU; **or**,
3. Have signed up for the Emergency Preparedness merit badge class at the upcoming Cumberland University MBU; **or**,
4. Plan to take the Emergency Preparedness merit badge class at Camp Boxwell this summer.

I will take the first 7 scouts that respond to me at [hooverconsulting@comcast.net](mailto:hooverconsulting@comcast.net) to participate. If I do not get enough scouts to participate that meet one of the criteria above, I will open it up to other scouts who might need service hours. For those that participate, I will send out another email with more specifics about where to go, what to bring, etc.
